

NO.	CODES	Major n English	University	Notes
1	SE660	Accounting	University of Michigan Dearborn University of Missouri Kansas City University of Minnesota Twin Cities University of Idaho Colorado State University Portland State University Oregon State University University of Northern Iowa Western Michigan University University of Nebraska Lincoln University of Nebraska Omaha West Virginia University California State University Fresno California State University Long Beach University of Delaware University of Central Florida Florida International University Western Kentucky University University of Alabama Birmingham University of Kentucky Washington State University Washington and Jefferson College University of South Carolina Cleveland State University Ohio University University of Dayton Kent State University University of Cincinnati University at Albany SUNY The University of Oklahoma Florida Institute of Technology University of South Florida University of Louisiana Lafayette University of Evansville Arizona State University Marquette University University of Wisconsin Milwaukee	
2	SE660	Actuarial Science/Studies	University of Nebraska Lincoln University of Central Florida Ohio University University of Cincinnati Kent State University Colorado State University Western Kentucky University University of Evansville University of Minnesota Twin Cities Arizona State University University of Delaware University of Wisconsin Milwaukee University at Albany SUNY	available as a concentration under "mathematics" as "statistics/actuarial sciences" available as "actuarial mathematics" available as a concentration under "mathematics" available as a concentration under "Mathematical Economics" available as "actuarial and mathematics sciences"
3	SE630	Advertising	University of Idaho	

			Western Kentucky University University of South Carolina Kent State University California State University Fresno University of Nebraska Omaha University of Northern Iowa Washington State University University of Louisiana Lafayette The University of Oklahoma Florida International University University of South Florida Marquette University Portland State University University of Nebraska Lincoln University of Central Florida West Virginia University Western Michigan University	available as a concentration under "mass communication & journalism" available as "advertising and public relations" available as a concentration under "marketing" as "advertising & digital media"  available as a concentration under "marketing" as "media advertising"       available as "advertising management" available as "advertising and public relations" available as "advertising and public relations" available as "advertising and public relations" available as "advertising & promotion"
4	SE699	Archeology	Kent State University Western Kentucky University Colorado State University University of Cincinnati University of Evansville	available as a concentration under "anthropology" as "archeology" available as a concentration under "anthropology"
5	SE501	Architectural Engineering	University of Cincinnati The University of Oklahoma Oregon State University	
6	SE639	Aviation Management	Ohio University Kent State University University of Oklahoma University of Nebraska Omaha Arizona State University Florida Institute of Technology Western Michigan University	available as a concentration under "aeronautics" as "aviation management"  available as "aviation" available as "air traffic management"  available as "available management & operations"
7	SE620	Big Data		
8	SE763	Biology	University of Missouri Kansas City University of Minnesota Twin Cities University of Idaho Western Michigan University Oregon State University University of South Florida Ohio University Colorado State University University of Nebraska Omaha West Virginia University California State University Fresno Portland State University University of Northern Iowa University of Central Florida University of Alabama Birmingham Western Kentucky University University of Kentucky Washington State University Washington and Jefferson College Cleveland State University	available as "Environmental and Plant Biology" Major (BS) and Applied Plant Biology (B.A.)

			University of Dayton Kent State University University at Albany SUNY The University of Oklahoma Florida Institute of Technology University of Louisiana Lafayette The University of Kansas University of Evansville Arizona State University	
9	SE763	Biological Sciences	University of Michigan Dearborn University of Nebraska Lincoln California State University Long Beach University of Central Florida The University of Kansas Florida International University Colorado State University University of South Carolina Ohio University University of Cincinnati Arizona State University Marquette University University of Delaware University of Wisconsin Milwaukee	available as a concentration under "biology"
10	SE721	Broadcasting	University of Nebraska Lincoln University of Alabama Birmingham University of Louisiana Lafayette Western Kentucky University Florida International University University of Idaho	available as a concentration under "communication studies" as "mass communication/broadcasting" available as a concentration under "marketing" as "broadcasting"  available as a concentration under "communication" as "broadcast media" available as "broadcasting & digital media"
11	SE630	Business Analytics	Marquette University Western Michigan University Florida International University Arizona State University Western Kentucky University University at Albany SUNY Ohio University University of Cincinnati University of South Florida	available as "business data analytics" available as a concentration under "management" as "business administration" available as a concentration under "business"  available as "business analytics & information systems"
12	SE480	Chemical Engineering	University of Minnesota Twin Cities University of Idaho Western Michigan University University of Delaware University of Nebraska Lincoln West Virginia University California State University Long Beach Colorado State University University of Kentucky Oregon State University Washington State University University of South Carolina Cleveland State University Ohio University University of Dayton	

			University of Cincinnati The University of Oklahoma Florida Institute of Technology University of South Florida University of Louisiana Lafayette Arizona State University	Restricted to very competitive students; major very tough
13	SE763	Chemistry	University of Michigan Dearborn University of Missouri Kansas City University of Minnesota Twin Cities University of Idaho Colorado State University Western Michigan University University of Nebraska Lincoln University of Nebraska Omaha West Virginia University California State University Fresno California State University Long Beach University of Central Florida Florida International University University of Northern Iowa Oregon State University University of Alabama Birmingham Western Kentucky University Portland State University University of Kentucky Washington State University Washington and Jefferson College University of South Carolina Cleveland State University Ohio University University of Dayton Kent State University University of Cincinnati University at Albany SUNY The University of Oklahoma Florida Institute of Technology University of South Florida University of Louisiana Lafayette The University of Kansas University of Evansville Arizona State University Marquette University University of Wisconsin Milwaukee University of Delaware	
14	SE620	Computer Science	University of Missouri Kansas City University of Minnesota Twin Cities University of Idaho Western Michigan University University of Nebraska Lincoln Colorado State University University of Delaware University of Nebraska Omaha West Virginia University	

SE620 Cybersecurity

Oregon State University  
University of Michigan Dearborn available as computer & information science  
University of Northern Iowa  
Portland State University  
California State University Fresno  
California State University Long Beach  
University of Central Florida  
Florida International University  
University of Alabama Birmingham  
Cleveland State University available as "computer information science"  
Western Kentucky University  
University of Kentucky  
Washington State University  
University of South Carolina  
Ohio University  
University of Dayton  
Kent State University  
University of Cincinnati  
University at Albany SUNY  
The University of Oklahoma  
Florida Institute of Technology  
University of South Florida  
University of Louisiana Lafayette  
University of Evansville  
Arizona State University  
Marquette University  
University of Wisconsin Milwaukee  
West Virginia University  
University at Albany SUNY available as "emergency preparedness, homeland security and cybersecurity"  
Kent State University available as a concentration under "computer science" as "information security"  
The University of Kansas available as "intelligence & national security studies"  
University of Nebraska Omaha  
University of South Florida available as a concentration under "business analytics"  
Arizona State University available as a concentration under "applied computing"

15 SE501 Civil Engineering

University of Missouri Kansas City  
University of Minnesota Twin Cities  
University of Idaho  
Western Michigan University  
University of Nebraska Lincoln  
University of Nebraska Omaha  
Colorado State University  
Oregon State University  
Portland State University  
West Virginia University  
California State University Fresno  
University of Delaware  
University of Central Florida  
Florida International University  
Western Kentucky University  
University of Kentucky  
Washington State University  
University of Alabama Birmingham  
California State University Long Beach

			University at Albany SUNY Western Kentucky University	available as a concentration under "informatics" and also under "computer science & applied mathematics" available as "business data analytics"
21	SE620	Data Science	University of Michigan Dearborn Western Michigan University Colorado State University Marquette University University of South Florida University of Evansville University of Central Florida Western Michigan University	available as a concentration under "information studies" as "data science and analytics" available as "statistics and data science" available as a concentration under "physics"
22	SE721	Digital Media	University of Central Florida University of Idaho Western Kentucky University Western Michigan University Washington State University Oregon State University Florida International University University of Louisiana Lafayette University of Northern Iowa Marquette University University of Cincinnati Kent State University University of Kentucky	available as "broadcasting & digital media" available as a concentration under "workforce administration" as "digital media technologies" available as "digital media & journalism" available as "multimedia & journalism" available as "digital communication arts" available as "digital communication media" available as a concentration under "informatics" as "digital media technology" available as a concentration under "marketing" as "advertising & digital media"  available as "digital media collaboration" available as "digital media production" available as "digital media and design"
23	SE563	Earth Sciences	University of Minnesota Twin Cities Western Michigan University Oregon State University Florida International University California State University Fresno University of Nebraska Omaha Portland State University University of Northern Iowa Western Kentucky University Washington State University Kent State University	available as a concentration under "environmental science"
24	SE680	Economics	University of Michigan Dearborn University of Missouri Kansas City University of Minnesota Twin Cities Colorado State University Western Michigan University University of Nebraska Lincoln California State University Fresno University of Nebraska Omaha West Virginia University California State University Long Beach Portland State University University of Northern Iowa Oregon State University University of Delaware University of Central Florida University of Idaho Florida International University Western Kentucky University University of Kentucky	

			<p>Washington and Jefferson College  University of South Carolina  Cleveland State University  Ohio University  University of Dayton  Kent State University  University of Cincinnati  University at Albany SUNY  The University of Oklahoma  University of South Florida  University of Louisiana Lafayette  University of Evansville  Arizona State University  Marquette University  University of Wisconsin Milwaukee  Washington State University</p>
25	SE501	Electrical Engineering	<p>University of Michigan Dearborn  University of Minnesota Twin Cities  University of Delaware  University of Idaho  Western Michigan University  University of Nebraska Lincoln  Colorado State University  University of Nebraska Omaha  Portland State University  Oregon State University  West Virginia University  California State University Fresno  University of Missouri Kansas City  California State University Long Beach  University at Albany SUNY  University of Central Florida  Florida International University  Western Kentucky University  University of Kentucky  Washington State University  University of South Carolina  Cleveland State University  Ohio University  University of Dayton  University of Cincinnati  The University of Oklahoma  University of Louisiana Lafayette  Florida Institute of Technology  University of South Florida  University of Evansville  Arizona State University  Marquette University  University of Wisconsin Milwaukee  University of Dayton</p>
			available as "electrical & computer engineering"
26	SE501	Electronics Engineering	
27	SE485	Energy Engineering	<p>Ohio University  Oregon State University</p>
			available as "energy systems engineering"

28	SE485	Energy	Ohio University Arizona State University	available as a concentration under "chemical engineering" as "energy & environmental materials" available as a concentration under "electrical engineering" as "electric power & energy systems"
29	SE630	Entrepreneurship	Western Michigan University Western Kentucky University Washington State University University of Nebraska Lincoln Florida Institute of Technology University of Minnesota Twin Cities University of Nebraska Omaha University of South Florida Marquette University University at Albany SUNY California State University Fresno University of Missouri Kansas City University of Idaho Arizona State University Ohio University University of Dayton Kent State University University of Cincinnati University of Delaware The University of Oklahoma West Virginia University	available as a concentration under "business" available as "entrepreneurial management"  available as a concentration under "marketing" as "entrepreneurship" available as "innovation & entrepreneurship" available as a concentration under "business"  available as a concentration under "marketing" as "entrepreneurship" available as "business entrepreneurship"   available as "entrepreneurship & technology innovation" available as "entrepreneurship & venture management" available as "entrepreneurship & innovation"
30	SE565	Environmental Engineering	University of Minnesota Twin Cities University of Central Florida Florida International University University of Delaware University at Albany SUNY Colorado State University Oregon State University Portland State University University of Cincinnati The University of Oklahoma Arizona State University Marquette University	
31	SE563	Environmental Geoscience	West Virginia University	
32	SE563	Environmental Sciences	University of Michigan Dearborn University of Missouri Kansas City Western Michigan University University of Idaho University of Nebraska Omaha Marquette University California State University Long Beach University of Dayton University of Cincinnati Kent State University University of Minnesota Twin Cities California State University Fresno The University of Kansas University of Delaware Portland State University University of Northern Iowa Washington and Jefferson College	available as "environmental and sustainability studies"   available as "environmental studies"  BS in Environmental Biology and BS in Environmental Geology available as "environmental studies" available as "environmental studies" available as "environmental sciences, policy, and management"  available as "environmental studies"

			University of South Carolina Oregon State University Cleveland State University Ohio University University at Albany SUNY The University of Oklahoma Florida Institute of Technology University of Louisiana Lafayette University of Nebraska Lincoln University of Evansville Arizona State University	
33	SE791	Event Management	University of Central Florida Florida International University Western Kentucky University	available as a concentration under "graphic design" available as a concentration under "real estate" as "facility & event management"
34	SE721	Film Production	University of Central Florida Western Kentucky University Ohio University Portland State University Marquette University Kent State University Arizona State University California State University Long Beach University of Missouri Kansas City Cleveland State University University of South Carolina University of Cincinnati The University of Oklahoma The University of Kansas University of Nebraska Lincoln University of Wisconsin Milwaukee University of Idaho	available as a concentration under "digital media" as "radio/tv/film" available as a concentration under "digital media" as "digital film" available as "film & electronic arts" available as "film & media arts" available as "film & media arts" available as "film & media studies" available as "film & media studies" available as "film & media studies" available as "film & media studies" available as "film studies" available as "film studies" available as "film & television studies"
35	SE660	Finance	University of Michigan Dearborn University of Minnesota Twin Cities University of Idaho California State University Fresno Colorado State University University of Delaware Western Michigan University University of Nebraska Lincoln Portland State University University of Northern Iowa Oregon State University West Virginia University University of Nebraska Omaha California State University Long Beach University of Central Florida Florida International University Western Kentucky University University of Kentucky University of Delaware University of Missouri Kansas City Washington State University University of South Carolina	available as "business finance" available as a concentration under business administration

			Cleveland State University Ohio University University of Dayton Kent State University University of Cincinnati The University of Oklahoma Florida Institute of Technology University of South Florida University of Louisiana Lafayette University of Evansville Arizona State University Marquette University University of Wisconsin Milwaukee
36	SE695	French Literature, Culture and Translation	Kent State University
37	SE563	Geochemistry	Western Michigan University
38	SE563	Geology	University of Missouri Kansas City University of Idaho Western Michigan University University of Nebraska Lincoln Colorado State University University of Nebraska Omaha Portland State University West Virginia University California State University Fresno Western Kentucky University University of Dayton Kent State University University of Cincinnati The University of Oklahoma University of South Florida University of Louisiana Lafayette The University of Kansas University of Michigan Dearborn available as "geological sciences" California State University Long Beach available as "geological sciences" University of Delaware available as "geological sciences" University of Kentucky available as "geological sciences" University of South Carolina available as "geological sciences" Ohio University available as "geological sciences"
39	SE563	Geophysics	Western Michigan University University of South Carolina The University of Kansas Colorado State University The University of Oklahoma
40	SE563	Geosciences	Florida International University University of Minnesota Twin Cities University of Wisconsin Milwaukee
41	SE721	Graphic Design	University of Minnesota Twin Cities Western Michigan University Portland State University University of Nebraska Omaha Colorado State University available as a concentration under "art" University of Nebraska Lincoln

			Western Kentucky University California State University Fresno Oregon State University University of Louisiana Lafayette University of Central Florida West Virginia University Ohio University University of Dayton Arizona State University University of Northern Iowa	available as a concentration under "visual arts" available as a concentration under "art"  available as a concentration under "visual arts" available as a concentration under "emerging media" as "graphic design"      available as "art & graphic design"
42	SE791	Hotel and Restaurant Management	University of Delaware Florida International University University of Central Florida University of South Carolina University of Louisiana Lafayette University of Nebraska Lincoln Western Kentucky University Arizona State University Ohio University	available as a concentration under "graphic design" as hotel/lodging management" available as "hospitality management" available as "hospitality management" available as "hospitality management"  available as a concentration under "hospitality management & dietetics" as "hotel, restaurant, and tourism management" available as a concentration under "resort & hotel leadership" as "tourism development and management" available as "restaurant, hotel, and tourism"
43	SE501	Industrial Engineering	University of Wisconsin Milwaukee West Virginia University University of Central Florida Ohio University University of Dayton University of Oklahoma University of Michigan Dearborn Western Michigan University University of Minnesota Twin Cities Oregon State University University of South Florida Arizona State University	BS in Industrial and Systems Engineering BS in Engineering Technology with Industrial Engineering Technology concentration  available as "industrial and systems engineering" available as "Industrial and Entrepreneurial Engineering"
44	SE620	Informatics	University at Albany SUNY University of Louisiana Lafayette Marquette University University of Delaware Colorado State University Western Kentucky University University of South Florida Arizona State University	available as "information systems" available as "information systems" available as "information systems" available as "health care informatics" available as a concentration under "information studies" as "health informatics"
45	SE620	Information Technology	University of Missouri Kansas City University of Central Florida Florida International University Western Kentucky University University of Wisconsin Milwaukee University of South Carolina University of Oklahoma Florida Institute of Technology University of Louisiana Lafayette Kent State University University of Cincinnati University of South Florida Arizona State University	available as "computer information technology" available as "information technology management" available as "integrated information technology" available as "information science & technology" available as a concentration under "business" as "information technology management" available as a concentration under "computer science"

46	SE721 Journalism	University of Minnesota Twin Cities University of Idaho University of Nebraska Lincoln Colorado State University University of Nebraska Omaha California State University Fresno West Virginia University Arizona State University Cleveland State University California State University Long Beach University of Louisiana Lafayette University of South Florida Florida International University University of Central Florida Western Kentucky University University of Kentucky University of South Carolina Ohio University Kent State University University of Cincinnati University at Albany SUNY The University of Oklahoma Marquette University University of Michigan Dearborn	available as "journalism and media communication"  available as "journalism and mass communication" BA in Journalism & Promotional Communication  available as a concentration under "mass communication"
47	SE542 Landscape Architecture	University of Idaho University of Nebraska Lincoln West Virginia University Colorado State University University of Kentucky Washington State University University of Delaware Arizona State University	
48	SE630 Leadership Studies (Management & Leadership)	University of Evansville Portland State University Ohio University University of Delaware West Virginia University California State University Long Beach Cleveland State University Florida Institute of Technology University of Nebraska Omaha University of Cincinnati Western Michigan University Florida Institute of Technology Western Kentucky University University of Cincinnati Arizona State University University of South Carolina University of Northern Iowa	available as "management & leadership" available as "management & strategic leadership" available as "organizational & community leadership" available as "organizational leadership" available as "student leadership & recreation" available as "organizational leadership"  available as "organizational leadership" available as "Leadership and business strategy" available as a concentration under "business" available as "organizational leadership" available as "organizational leadership" available as "organizational leadership" available as "organizational leadership"
49	SE640 Logistics Management	Florida International University California State University Fresno Portland State University University of Evansville	available as "logistics & supply chain management"  available as "supply & logistics management"

50	SE630	Management	<p>Arizona State University  Arizona State University  University of Nebraska Lincoln  West Virginia University  University of Northern Iowa  Oregon State University  University of Nebraska Omaha  University of Delaware  Florida Institute of Technology  California State University Fresno  University of Central Florida  Florida International University  Western Kentucky University  University of Kentucky  University of Missouri Kansas City  Washington State University  University of South Carolina  Cleveland State University  The University of Oklahoma  University of South Florida  University of Louisiana Lafayette  University of Evansville  Portland State University  Ohio University</p>	<p>available as a concentration under "business" as "global logistics management"</p> <p>available as "business management"</p> <p>available as a concentration under "business administration"</p> <p>available as "management &amp; leadership"</p> <p>available as "management &amp; strategic leadership"</p>
51	SE630	Marketing	<p>University of Michigan Dearborn  University of Minnesota Twin Cities  University of Idaho  Colorado State University  Western Michigan University  University of Nebraska Lincoln  Portland State University  University of Northern Iowa  Oregon State University  University of Missouri Kansas City  West Virginia University  University of Nebraska Omaha  University of Delaware  California State University Fresno  California State University Long Beach  University of Central Florida  Florida International University  Western Kentucky University  University of Kentucky  Washington State University  University of South Carolina  Cleveland State University  Ohio University  University of Dayton  Kent State University  University of Cincinnati  The University of Oklahoma  University of South Florida  University of Louisiana Lafayette</p>	<p>available as a concentration under "business administration"</p>

			<p>The University of Kansas  University of Evansville  Arizona State University  Marquette University  University of Wisconsin Milwaukee  University of Louisiana Lafayette</p>	
52	SE494	Materials Science	<p>California State University Long Beach  University of Central Florida  Kent State University  University of Kentucky</p>	<p>available as a concentration under "physics &amp; astronomy"  available as a concentration under "physics" as "materials"  BS in Chemistry-Materials Chemistry concentration  available as a concentration under "chemistry" as "materials"</p>
53	SE494	Materials Engineering	<p>University of Minnesota Twin Cities  University of Idaho  Washington State University  University of Delaware  University of Central Florida  Ohio University  Arizona State University  University of Alabama  University of Alabama Birmingham  University of Kentucky  University of Wisconsin Milwaukee  University of Idaho</p>	<p>available as "materials science &amp; engineering"  available as "materials science &amp; engineering"  available as "materials science &amp; engineering"  available as "materials science &amp; engineering"  available as "materials science &amp; engineering"  <a href="#">Chemical Engineering, Materials Track (B.S.Ch.E.)</a>  available as "materials science &amp; engineering"</p>
54	SE501	Mechanical Engineering	<p>University of Michigan Dearborn  University of Missouri Kansas City  University of Minnesota Twin Cities  University of Idaho  University of Delaware  Portland State University  Colorado State University  Oregon State University  Western Michigan University  University of Nebraska Lincoln  West Virginia University  California State University Fresno  California State University Long Beach  University of Central Florida  Florida International University  Western Kentucky University  University of Kentucky  Washington State University  University of South Carolina  Cleveland State University  Ohio University  University of Dayton  The University of Oklahoma  Florida Institute of Technology  University of South Florida  University of Louisiana Lafayette  University of Evansville  Arizona State University  Marquette University  University of Wisconsin Milwaukee</p>	
55	SE721	Media	<p>University of South Carolina</p>	<p>available as "media arts"</p>

			University of Kentucky Ohio University University of South Florida The University of Kansas University of Nebraska Omaha University of Oklahoma Arizona State University University of Cincinnati University of Central Florida University of Louisiana Lafayette University of Dayton Marquette University	available as "media arts & studies" available as "media arts & studies"  available as "news media forecasting"  available as "film & media" available as "mass communication and media studies" Film and Media Studies major available as a concentration under "radio/television" as "media manageemnt and operations" available as a concentration under "visual arts" as "media art" available as a concentration under "communication" as "electronic media/media production" available as "media studies"
56	SE044	Nursing	University of Kentucky University of Minnesota Twin Cities Western Michigan University West Virginia University California State University Fresno University of Northern Iowa University of Delaware California State University Long Beach University of Central Florida Marquette University The University of Kansas University of Dayton Florida International University Western Kentucky University University of Kentucky Washington State University University of South Carolina Cleveland State University Ohio University Kent State University University of Cincinnati University of South Florida University of Louisiana Lafayette University of Evansville Arizona State University University of Wisconsin Milwaukee	
57	SE400	Occupational Health and Safety	Ohio University Western Kentucky University	available as "occupational hygiene & safety" available as a concentration under "workforce administration" as "occupational safety and health"
58	SE470	Petroleum Engineering	The University of Oklahoma University of Louisiana Lafayette West Virginia University	available as "petroleum & natural gas engineering"
59	SE551	Business Administration - Real Estate	University of Central Florida Florida International University University of South Florida Western Kentucky University Colorado State University California State University Fresno University of Nebraska Omaha University of Missouri Kansas City	available as a concentration under "finance"

67	SE542	Urban Planning	University of Cincinnati The University of Kansas University at Albany SUNY University of Michigan Dearborn Arizona State University University of Missouri Kansas City Ohio University	5 years program due to mandatory COOP program     available as "urban planning & design" available as "urban planning & sustainability"
68	SE721	Visual Arts	Western Kentucky University University of Dayton Arizona State University University of Central Florida Oregon State University University of Louisiana Lafayette The University of Kansas	  available as "applied visual arts" available as a concentration under "art" as "visual arts & emerging media management" available as "applied visual arts"  available as "visual arts education"
69	SE620	Web/Computer Applications	Kent State University University of South Florida University of Central Florida University of Louisiana Lafayette Arizona State University	available as a concentration under "information technology" as application development" available as "internet & web development" available as a concentration under "digital media" as "web design" available as a concentration under "informatics" as "web design" available as a concentration under "applied science" as "internet & web development"
